\*Annual - An annual licence has to be renewed every year. Users get all upgrades on the modules that they have purchased for free.

\*\*Perpetual - One-off licence - A perpetual licence is paid for only once. There is no additional or annual costs involved after the initial purchase. The user of a perpetual licence can download all upgrades within the same major release, for free. For instance, should you buy DesignBuilder V5.0, all subsequent V5.x upgrades of the modules you initially bought are available at no additional cost.
