		Site & Seat (Network) Licences		

Note: Versions 3.1, 4 and 5 are certified with Agrement SA (V. 6 not certified yet)

Note: DesignBuilder does ${f not}$ currently include South African ${f CO_2}$ or cost databases.

**Annual - An annual licence has to be renewed every year. Users are eligible for all upgrades on the modules that they have purchased, for free.

***Perpetual - One-off licence - A perpetual licence is paid for only once. There is no additional or annual cost involved after the initial purchase. The user of a perpetual licence can download all upgrades within the same major release, for free. For instance, should you buy DesignBuilder V6.0, all subsequent V6.x upgrades of the modules you initially bought are available at no additional cost.

Support							
Software support	1 hour remote support	A typical support incident might use 20 minutes, in which case 1 hour would cover 3 incidents.	R 575				

- Annual licences include remote technical support by Greenplan during office hours, for matters inherent to the software, free of charge within reasonable limits.
- Perpetual licences include remote technical support by Greenplan during office hours, for matters inherent to the software, free of charge for the first year after purchase, within reasonable limits.
 Exclusions: Design Builder Version 3.x, perpetual licence after its first year, any project-related modelling assistance, software installation support beyond the first eight hours per licence, all other support beyond the first two hours of an ncident and/or the first two hours per week per customer.

Training						
Туре	Description	Cost per person				
Basic Workshop (2 Days)	DesignBuilder Fundamentals	No requirements - preferably architectural or engineering background	R 6 900			
Advanced Training (1 Day)	SANS 10400-XA	Understanding of the SANS 10400-XA and SANS 204 Standards	R 3 450			
Advanced Training (1 Day)	Detailed HVAC	DB Fundamentals workshop & preferably an engineering background	R 3 450			
Advanced Training (1 Day)	Computational Fluid Dynamics (CFD) and Natural Ventilation Studies	DB Fundamentals workshop & preferably an engineering background	R 3 450			
		Discounted Training Offer				
		R 8 625				
		R 11 500				
		R 13 800
